Dear Harold,

Without even reading it, you correctly divined the completely unoriginal content of Turner's Power On The Right.

I'll give my copy to Jesus and he'll send it to you.

On The J.F.K. Assassination, Turner simply rehashes old angles (Bannister, Lavon Hall, Gene Bradley, The Miami Tapes etc.) from his "Ramparts" articles and he rarely credits any sources (often yourself!). He favors innuendo, usually devoid of any real substance.

Lamia, by Philippe Thyraud de Vosjoly, was allegedly written by The CIA. It claimed Enrico Mattei was murdered by S.D.E.C.E. albeit The European Press assumed The CIA was
